September 2023

Dear Members,

We hope you all had an enjoyable summer. I sure did. The Faherty family spend the month of July in Ireland. Guess what: it set a record as the wettest July ever. We still had a wonderful time, especially our seven Grandchildren.

Our club will be extending your summer by not having a membership meeting in September. In the meantime your Board will meet to discuss and plan our functions for the coming season.

We hope to see you all at our October meeting.

*Mike Faherty
President*

Welcome back to those who have returned from your summer locations. The Club is thankful to have survived another summer season, even though we almost melted. Almost being the key word.

As stated above, we have had to change our season's schedule. We will **not** have a General Membership meeting in September. It appears that many of our northern members have not returned to Florida and thus, the meeting would not be well attended.

Our "home", the Comedy Club, requires a certain amount of attendees. So, have a great September and we look forward seeing you in October.

This heat wave is brutal!
Not only is it hot enough to fry

The people who make fitted sheets need to sit down with the people who make mattresses and get on the same page. Making the bed shouldn't be like putting a swimming cap over a fridge.
